NOT A PERMIT

Permit #F00141330

August 20, 2018,

Proposed Filming Activity:

Discovery's *Expedition Unknown* will be filming an upcoming episode based around the search for WASP (Women Airforce Service Pilots) pilot Gertrude Tompkins' aircraft which went missing on October 26th, 1944 after departing Mines Field (LAX) on her way to Palm Springs. President Obama signed a bill awarding a Congressional Gold Medal to the surviving WASP for their service on July 2, 2009, stating "The WASP answered their country's call in a time of need, while blazing a trail for the brave women who have given and continue to give so much in service to this nation since." Tompkins is the only unaccounted for pilot from the WASP program, and our hope is to finally give some closure to her story.

For our permitting needs, we would like to film for one day in the area where the old Mines Field was located where Tompkins P-51 plane took off, which would be in the area south of Runway 25L near Hangar One. This segment would be to introduce information about Mines Field and to give background to the conditions and surroundings of Tompkins final flight. It would include shooting B Roll of the Mines Field area, exteriors of Hangar One, and B Roll of the Flight Path Museum.
Time(s): 7AM - 2PM (One Day Shoot, Sunday September 2nd).

Filming Locations:

- Old Mines Field Area (Bordered by Century Blvd to the North, Aviation Blvd on the East, Imperial Hwy on the South, and Sepulvida to the West)
- On the ground @ Hanger One Most Likely (See below) with Runway in the background

- Hanger One (Pending Approval from Current Leasee - "Aviation Facilities Company" or "Menzies Aviation") - Trying to get a hold of someone at the building.
  - Built in 1929, The First Structure Constructed on Mines Field
  - National Registry Historic Places
  - 5701 W Imperial Hwy (Or Possibly

- Flight Path Museum (B Roll)
  - 6661 Imperial Hwy

Schedule:
700AM - 800AM - Arrive at Security Office / Load Gear / Prep
800AM - 1000AM - Film at Hangar One, And Adjacent Areas with Experts
100AM - 1200Noon - Flight Path Museum, B Roll and Walkthrough
12:00PM - 1230PM - Lunch
